Revive the JOY of SINGING! For over 3000 years choirs have played an important role in the gathering of God's people in places of worship. We are to be an army of voices leading the people of God into the presence of God. At least 3 things are needed from each choir member. **1. Commitment.** You are needed at each rehearsal and each time the choir fills the loft. **2. Internal Joy.** Be truly excited about being a part of this ministry, eagerly awaiting the next scheduled event. **3. Help with recruitment.** For such a time as this, and for the future, we must constantly be inviting others to join the choir. You are a great choir. Keep singing for Jesus! Love, David
