I know it's inconvenient, but we really need to try to keep the Sound Booth door closed. Especially 15 minutes prior to the service beginning. I know folks mean well when they enter to talk to you but this time should be used to concentrate on the upcoming worship service and your duties. Most of you can reach over and open the door, if you need a key let me know. Also, please be in your place 10 minutes prior to the service beginning. Everyone is doing an outstanding job. Thank you for your ministry. - David
